Director

PROCEEDINGS OF THE STATE LEVEL CROP STATISTICS REPORT  
COMMITTEE MEETING HELD ON 07.08.2019 IN COMMITTEE ROOM -2 OF  
THE MAIN SECRETARIAT BUILDING, SHILLONG.

Members present at ANNEXURE - I

The Chairman of the State Level Crop Statistics Report Committee (SLCSR) & Commissioner & Secretary, Agriculture Department, Shri P. Sampath Kumar, IAS, requested Smti A. M. Laloo, Member Secretary of the Committee to initiate the discussion. The discussions made and the decisions taken by the Committee are as below:

The Member Secretary placed the State Level Crop Report on kharif & rabi crops, Vegetable Statistics, Land Use Statistics and Irrigation Statistics for the year 2016-17 and 2017-18 and has informed the Committee that the reports have been reconciled with the concerned departments and validated by the Directorate of Economics & Statistics.

While discussing on the reports, the chairman stressed for critically examining the data in order to arrive at a reliable estimates in future. The Chairman also sought the views of the members about the usefulness of the data for their department concerned.

The Director of Soil & Water Conservation and the Director of Agriculture Departments has informed that the data is used for the preparation of the DPR (Detailed Project Report) for taking up the new projects by the Department. The Director of Economics & Statistics mentioned that the data presented in the report is used by various Ministries like the Ministry of Agriculture and Ministry of Statistics & Programme Implementation, Govt. of India for various estimates as well as for planning purposes. She also informed that the Yield Data from the CCE (Crop Cutting Experiment) is used for payment of the Crop Insurance if any to the farmers.

To a query by the Chairman about the procedure of compilation of the above reports, the Member Secretary has informed that the estimates of productivity on thirteen crops in Crop Statistics are based on CCE results whereas the APY data of the remaining 46 crops are reconciled with the concerned departments at the Block level, District level as well as at the State level taking in to account of various parameters like schemes implemented by the concerned departments, targets & achievements, weather condition during the year, etc. She also mentioned that the area estimation for LUS (Land Use Statistics) is through conventional method/ eye estimation at all the three levels.

The Chairman has expressed his desire to convene a review meeting with the concerned departments (i.e. Agriculture, Horticulture, Directorate of Economics & Statistics and the Agriculture Insurance Company, Guwahati) to assess the progress of the CCE and requested the Director, DES to call for the meeting. (Action: Directorate of Economics & Statistics)

The Director of Agriculture has proposed for the inclusion of four indigenous crops namely squash, jackfruit, mushroom and sohiong and the Committee has agreed to include these crops from the year 2018-19. (Action: Directorate of Economics & Statistics)

The Chairman suggested for having past year data on the above reports to know the changing pattern of cultivation/production data over the years and has stated that this data will be useful especially for those crops covered under various Agriculture/ Horticulture Mission. For such crops, the target & achievements sets as per the mission document are to be taken in to account while compiling the SLCSR. (Action: Directorate of Economics & Statistics)

The Chairman has requested the DES to examine the feasibility of segregating the indigenous crops from the improved crops and also suggested to examine the feasibility of reporting the varieties of these crops. (Action: Directorate of Economics & Statistics along with the Agriculture and Horticulture Departments)

In order to assess the impact of the Zero Budget Natural Farming in the State, the Chairman has requested the DES to examine the feasibility to have a study on the project in Shillong, Tura and Jowai. The required information for this study will be furnished by the Agriculture/Horticulture Department. (Action: Directorate of Economics & Statistics along with the Agriculture and Horticulture Departments)

After threadbare discussion, the State Level Crop Statistics Report on rabi & kharif crops, Vegetable Statistics, Land Use Statistics and Irrigation Statistics for the year 2016-17 and 2017-18 have been approved by the Committee.

The meeting ended with a vote of thanks from the Chair.

  
(Smt. A. M. Lafoo)  
Member Secretary

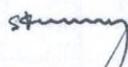

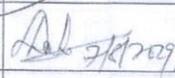

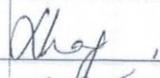

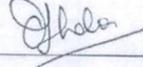

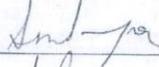

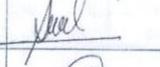

State Level Crop Statistics Report Committee &  
Director of Economics & Statistics,  
Government of Meghalaya

  
(Shri P. Sampath Kumar, I.A.S.)  
Chairman

State Level Crop Statistics Report Committee &  
Commissioner & Secretary, Agriculture Dept.  
Government of Meghalaya
